I normally only get cc'ed if I'm the contractor site lead or if I prepare the analytical request. You might want to contact Colleen Walling or Fred Foreman to get included on the distribution list. But I'll forward whatever I receive if you all aren't cc'ed.

We need them for our records. Thanks.

I had thought that Rupert would be getting these as a rule and I would be eventually organizing them.

Rupert, Ann:
More RP data. Let me know if you don't need these and I will stop forwarding.

Dear Richard,

Attached to this message you will find electronic files containing the validation report and validated inorganic data for the Dimock Residential Groundwater site, Case # 180-3644-01. The validation of this case was completed by the Region III Environmental Services Assistance Team (ESAT).

Please contact ESAT's RPO, Colleen Walling by phone at 410-305-2763 or e-mail at Walling.Colleen@epa.gov if additional assistance is needed.
